

## Manager of Rural Development - Saddle Hills County

Saddle Hills County is a vibrant and progressive municipality located in northwestern Alberta, with offices located in Spirit River, Alberta. We are currently searching for an outgoing, self-motivated individual to fill the position of Manager of Rural Development (Agricultural Fieldman), who is responsible for all Agricultural programs in the Municipality. A full position description is available upon request. Excellent supervisory skills, as well as verbal and written communication skills will be the keys to success in this position.

**QUALIFICATIONS:** Agricultural (or related discipline) Diploma or Degree and/or related employment experience, agricultural experience related to: weed identification and management; agricultural pests & pest management, crop agronomy, and livestock production. The successful candidate will possess a pesticide applicator certificate (Agriculture and Industrial) and have experience with Agricultural Legislation such as the Weed Control Act, Agricultural Pests Act and Agricultural Service Board Act.

We offer an excellent compensation and benefits package including continuing education and professional development, as well as a healthy work-life balance.

If you are proactive and ready for an exciting opportunity in a rural community, please submit your resume by e-mail, mail or fax in confidence, including salary expectation and copies of certificates to:
