No Spray Agreements

Saddle Hills County will be conducting a roadside spraying program for weed and brush control during the months of May through October 2011. All areas of the County may be affected. Areas that were brushed in 2010 will be sprayed, as well as anywhere noxious weeds are found.

Any landowner who prefers that no spraying be conducted adjacent to their property on a particular section of County roadway is asked to please come into the County office to sign a No Spray Agreement. If you choose to sign this agreement, you will be responsible for the weed and brush control in the road right-of-way adjacent to your land.

No Spray Agreements are valid for one year only and must be renewed annually to ensure our information is kept up-to-date and accurate. Any landowner along a highway that does not want spraying adjacent to their land is asked to contact Ledcor at 780-814-8126.

For more information, please contact the Manager of Rural Development, Dave Thompson, at 780-864-3760 or dthompson@saddlehills.ab.ca.
