Land Use Bylaw Review Open Houses

UPDATED

Saddle Hills County retained ISL Engineering and Land Services in February 2008 to review and update their Land Use Bylaw (LUB). The LUB is intended to provide clear direction for Council and Administration to manage growth and development. The public is invited to attend an Open House to review the proposed changes to the LUB and provide their feedback. Attendees will have the opportunity to win door prizes.

The Public Open Houses will be set up in a casual format, beginning with a brief presentation. The same information will be presented at both events. Project representatives will be in attendance to provide information and answer questions about the project.

If you have any ideas, suggestions or concerns regarding the Land Use Bylaw or

just want to learn more about what it means to you, feel free to drop by and join us for a coffee and snack.

Attention: OILFIELD PERSONNEL & INDUSTRIAL PESTICIDE APPLICATORS!

The Peace Region Agricultural Fieldmen are hosting two Pest Awareness Workshops for oilfield and industry to discuss weeds and pests of concern, how they spread, how they can be controlled, and the legislation in place to help control these pests. These are invaluable information sessions if you work on oil leases, pipelines, gas plants or are otherwise affiliated with the oilfield. The workshops run from 1:30pm – 4:30pm on the following dates:

March 31, 2009 at Little Smoky Hall
April 7, 2009 at Rycroft Memorial Hall

There will be Pesticide Applicator CEUs available, and pesticide applicators may register an information booth to network with oilfield companies for a cost of \$50.

For more information or to register, please contact Normand Boulet, Agricultural Fieldman with the MD of Smoky River at 780-837-2222 or Susan Kerekanich with the MD of Greenview at 780-524-7615.
