**Farm Safety Kids Club**

With over 1800 members The Farm Safety Kids Club continues to grow. The club is aimed at rural youth 12 and under, whose members receive a newsletter three times a year that is full of activities, coloring and games.

Children learn basic farm safety messages with the help of the club mascot, Farm Safety Star. Farm Safety Star flies high in the sky reminding kids to be safe on the farm and complimenting them on their good safety choices.

Examples of topics covered in the newsletter include ice safety, animal safety, bale safety, hearing safety and sun safety. Messages are learned through a variety of activities such as true and false, multiple choice, and matching questions, as well as word searches and puzzles.

When asked what she likes best about the newsletter, Sarah from Northern Alberta replied, "That you have fun while you learn about safety while doing the activities."

Conner, aged 6, noted that his family "talks about what is safe and what is not as well as explaining and discussing why."

Ida, a parent from Claresholm, writes: "As a parent I really like the safety booklets you put out. I have gone over them numerous times with my kids and don't think it can be improved. Keep up the good work!"

If you would like your children to join the Farm Safety Kids Club you can:

**NEW ASB RENTAL EQUIPMENT**  
**Livestock Tag Reader**

As of January 1, 2009, all Alberta cattle producers are required to age verify their calves as part of the new Alberta Livestock and Meat Strategy.

In order to help facilitate this process, Saddle Hills County, in conjunction with Alberta Agriculture and Rural Development, now has a Gallagher HR3 RFID tag reader for rental to County ratepayers from the administration building in Spirit River.

A \$200 damage deposit is required to rent the reader; the first two days of rental are free and each subsequent day is \$25. Producers are encouraged to phone the County office (780-864-3760) to reserve the reader before coming to pick it up.

This reader is for independent use only; the producer must pick it up, read his livestock tags, download the tag numbers and return the reader on his own.

For hands-on assistance or more information on age verification, please contact Alberta Agriculture and Rural Development at 310-FARM (3276) or the Peace Country Beef & Forage Association at 780-523-4033.
