

Municipal Development Plans RESIDENT/RATEPAYER SURVEY

Saddle Hills County, the Municipal District of Spirit River and the Town of Spirit River are each preparing new Municipal Development Plans. The municipalities are undertaking this project as a joint venture to maximize efficiencies; however, three separate plans will be created to address the unique issues of each. The purpose of a Municipal Development Plan is to provide a "big picture" land use planning framework to guide long term development decisions. Public input is critical to the process as it ensures that future policies reflect the interests and needs of the community.

The project team has put together a survey for M.D. and County residents/ratepayers to complete regarding Municipal Development Plan issues or concerns. The survey will be mailed out to M.D. and County residents, and will also be available online on the municipalities' respective websites (in online and PDF versions) starting Tuesday, November 3, 2009:

- www.saddlehills.ab.ca
- www.mdspiritriver.ab.ca

M.D. and County residents are encouraged to watch their mailbox for their copy of the survey or are invited to visit the County or M.D. websites to complete the survey. Alternatively, residents/ratepayers can pick up the survey at the municipal offices. The survey will not apply to Town of Spirit River residents, as the Town has conducted its own recent community consultations regarding their vision for future growth and development. The survey results and information gathered will be a key aspect in developing the draft Municipal Development Plans for each municipality. All information collected will be kept confidential.

The input received will be used to help formulate the plans, and the public will be invited to attend open houses in early 2010 to view the draft Municipal Development Plans. The open houses will be advertised in the Central Peace Signal and on the municipalities' websites prior to each open house.

Thank you for your assistance and input. We look forward to hearing your views! For information contact Laurie Jackson, Manager of Planning and IT Services at 780-864-3760.

WEED AND PEST APPEAL COMMITTEE Members Needed

The Weed Control Act and Agricultural Pests Act of Alberta require the yearly appointment of an appeal committee to render decisions on appeals of weed or pest notices that are issued by the County.

The County is looking for four ratepayers with an interest in the legislative process to put their names forward or be nominated for this committee. To be considered for this committee, please forward your name, address, phone number and a short summary of your interest in this committee to "Weed

and Pest Appeal Committee, c/o Amy Kaut" at the address at the bottom of this page. Applicants may also fax their information to 780-864-2008 or email it to akaut@saddlehills.ab.ca.

The deadline for application or nomination is noon on December 4, 2009.

For more information on the duties and role of this committee, please contact the Manager of Rural Development, Amy Kaut, at 780-864-3760.
