

Road Bans Lifted

Saddle Hills County has lifted road bans within the County to 100% axle weight allowance. Any other questions regarding road bans within the County can be directed to Matt Moorman at 780-864-8417. The County encourages all residents and visitors to drive with care. Always be aware of oversize loads, construction equipment and wildlife. Drive safe!

Fire Advisory

Due to very dry surface fuel conditions open burning is not recommended at this time.

Caution is urged while doing any outdoor activities that could result in ignition of surface fuels (grass/stubble etc.).

Sites of burns conducted during the winter months should be checked again to ensure that the fire is out. This advisory will remain in effect until sufficient precipitation is received to lower the hazard.

For further information please contact the Saddle Hills County Office at 780-864-3760.
