## Municipal Development Plan PUBLIC OPEN HOUSES

Saddle Hills County with the assistance of ISL Engineering and Land Services is preparing new Municipal Development Plan (MDP). The purpose of an MDP is to provide a "big picture" land use planning framework to guide long term development decisions. Public input is critical to the process as it ensures that future policies reflect the interests and needs of the community.

You are invited to attend a Public Open House to view the Saddle Hills County draft MDP and to provide your feedback regarding how the MDP policies accommodate future growth and development in the region. Highlights from the MDP Residents Survey will also be presented at this session.

The Saddle Hills County MDP Public Open Houses will be held:

#### Monday, June 21, 2010

7:00 - 9:00 p.m.

Woking Community Hall

50 Street & 51 Avenue, Woking, AB

#### Wednesday, June 23, 2010

7:00 - 9:00 p.m.

Bonanza Recreation Complex

On HWY 719, Bonanza, AB

The MDP will establish a policy framework and future land use concept that reflects the collective vision of the citizens of Saddle Hills County on a variety of issues such as the type, level and pattern of development, as well as smart growth principles. As a critical policy document for guiding future growth and development, the MDP will strive to balance the views expressed by all stakeholders in the planning process. The MDP and a comment form will be available at the County office and posted on the County's website [www.saddlehills.ab.ca](http://www.saddlehills.ab.ca) after Wed. June 9, 2010.
