| Attachments/Rates   |       |                 |          |                                 |                 |                         |                    |                  |
| 3                   |       |                 |          |                                 |                 |                         |                    |                  |
| Attachments/Rates   |       |                 |          |                                 |                 |                         |                    |                  |
| 4                   |       |                 |          |                                 |                 |                         |                    |                  |
| Attachments/Rates   |       |                 |          |                                 |                 |                         |                    |                  |
| 5                   |       |                 |          |                                 |                 |                         |                    |                  |
| Attachments/Rates   |       |                 |          |                                 |                 |                         |                    |                  |
| 6                   |       |                 |          |                                 |                 |                         |                    |                  |
| Attachments/Rates   |       |                 |          |                                 |                 |                         |                    |                  |
| 7                   |       |                 |          |                                 |                 |                         |                    |                  |
| Attachments/Rates   |       |                 |          |                                 |                 |                         |                    |                  |

**NOTE TO GRAVEL TRUCKERS:** The basic load factor is \$1.00/m<sup>3</sup> (\$ 0.61/tonnes). Under the column Hourly Bid Rate please state your price if you wish to be hired for any hourly work we may have. Under the column Bid Rate m<sup>3</sup> or Tonne per kilometer or percent of rate, you are only required to bid one column however it will be calculated into all three columns as your bid. If you bid a percentage rate you are bidding a percentage County Rate of \$0.202/m<sup>3</sup>/km (\$ 0.124/tonnes/km).

DATED THIS \_\_\_\_\_ DAY \_\_\_\_\_, 19\_\_\_\_, 20\_\_\_\_
