

THE Wilderness

IS OUR BACK YARD

A MESSAGE FROM THE REEVE

As I look back on 2025, I am reminded once again why Saddle Hills County is such a remarkable place to call home. Having lived here all my life, I am proud to serve a community that works hard, looks out for one another, and continues to build a future our young people can be excited about.

Looking ahead, Council has set a solid financial foundation through the 2026 budget, continuing to invest in essential areas like public works, protective services, agriculture, water and waste management, recreation, and community care.

Thank you to all residents, volunteers, community groups, and staff for your contributions this year. I look forward to continuing this work together in 2026. Wishing you and your families a safe and joyful Christmas season, and a bright year ahead.
