

Fusarium Testing Request Form

Producer Input

With the provincial de-regulation of Fusarium Graminerium, Saddle Hills County is still interested in monitoring disease levels within the County.

Saddle Hills County is offering producers the opportunity to request sampling and testing of their cereal crops at no cost.

If you are a producer interested in having your field sampled and tested, please fill out the following form.

Name *

Phone Number where we can reach you *

Legal Land Description of the crop you wish to be sampled *

Email address for results *

Notice of Collection

The personal information on this form is being collected for the purpose of testing for fusarium and will be shared with Council and Administration. The information is collected under the authority of Section 146 of the Municipal Government Act and Section 4 of the Protection of Privacy Act. For questions about the collection of personal information, contact admin@saddlehills.ab.ca or call (780) 864-3760.
